SELECTMEN'S REPORT

The year 1969 found town officials faced with new legislation enacted by the 1969 Legislature in regard to pollution and sign control. In addition, legislation enacted by the 1967 Legislature concerning the lowering of the residency requirement of the Old Age Assistance Act has caused increased expenditures in this and the Health and Hospital accounts, since more individuals are now eligible for benefits.

The revaluation of property in North Hampton was begun by the State Tax Commission in the fall of the year and is proceeding on schedule. The 1970 tax bills will reflect the results of the revaluation.

Overall line budget items were held closely to recommended and approved Budget Committee figures even though labor and material costs increased substantially during the year.

The Selectmen wish to thank those Department Heads who were directly involved with the fluctuating costs for maintaining expenditures within their respective budgets. Fine cooperation was received by the Selectmen from all departments concerned with expending town funds, so that the maximum potential could be realized from every available dollar.

The Selectmen wish to thank those who gave so willingly of their time to serve on various committees which are necessary to the management of town business. I personally wish to thank Mr. Byron L. Kirby and Mr. Maurice E. Kierstead for their assistance whenever the response required sacrifices beyond the scheduled requirements.

Dates to Remember

Property Inventory and Veteran Exemption blanks will be distributed on or before March 25, 1970. It is of utmost importance that these inventory forms be filed with the town offices. By State Statute, a property inventory must be filed if an appeal is to be heard.

Filing dates are between April 1st and 15th. Requirements to be met are listed on each form.

Mrs. Barbara Luther, Administrative Assistant to the Board of Selectmen is in the Selectmen's Office to assist the townspeople Tuesdays and Fridays 9 A.M. to 5 P.M. and Saturday mornings 9 A.M. to 12 noon.

The Board of Selectmen meet every Monday night at 7 P.M.

The Selectmen wish to thank Representative James F. Leavitt on behalf of the Town for his assistance on legislative matters in the State Legislature.

Respectfully submitted,

Robert K. Volk, Jr., Chairman

**THE STATE OF NEW HAMPSHIRE
TOWN OF NORTH HAMPTON
TOWN WARRANT FOR 1970**

L.S.

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the School Building on Atlantic Avenue in said North Hampton on Tuesday, the tenth of March, 1970, at 1 o'clock in the afternoon; Business meeting to begin at 7:30 p.m.; Polls not to close before 7:30 p.m.; To act upon the following subjects:

ARTICLE 1. To choose one Selectman for three years, one Town Clerk, one Town Treasurer, one Collector of Taxes, and all necessary Town Officers for the ensuing year.
(On the Official Ballot)

ARTICLE II. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

ARTICLE III. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money in anticipation of taxes.

ARTICLE IV. To see if the Town will vote to authorize and empower the Board of Selectmen, or a majority of them, to sell and convey the real property acquired by the Town by tax sale, to be sold at public auction.

ARTICLE V. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

1. To amend Section 405 by adding the words "For Hu-

mans” to Special Exemption Number 5 in the “R-2 Medium Density District” so that Special Exemption Number 5 in the “R-2 Medium Density District” will read as follows:

5. Hospitals and Clinics For Humans.”
(On the Official Ballot)

ARTICLE VI. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

2. To Amend that portion of Section 406 set out as “Yard and Lot Requirements”, “Minimum Lot Area (sq. ft.)” by deleting the figure under R 1, 21,000, under R 2, 25,000, and under R 3, 43,560, and substituting therefor, under R 1, 43,560, under R 2, 65,340, and under R 3, 87,120, so that portion of said section reads as follows:

“Minimum Lot	R 1	R 2	R 3	1 B ”
Area (sq. ft.)	43,560	65,340	87,120	87,120

(On the Official Ballot)

ARTICLE VII. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

3. To amend Section 406 by deleting the words “Minimum Foot Width (feet)” in the section entitled “Yard and Lot Requirements” and substituting therefor the words “Minimum Frontage (feet).”

(On the Official Ballot)

ARTICLE VIII. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

4. To amend Section 302 of the Ordinance by adding thereto a new definition to follow definition Number 26 which new definition will be definition Number 27 and will read as follows:

“27. Frontage: The distance for which a lot abuts and is adjacent to one accepted road.”

(On the Official Ballot)

ARTICLE IX. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

5. To amend Section 602 by adding to the second sentence thereof the word “frontage” so that said section reads as follows:

“Section 602 Variance: A variance is relaxing of the terms of the Zoning Ordinance where such variance will not be contrary to the public interest and where, owing to conditions peculiar to the property and not the result of actions of the applicant, a literal enforcement of the Ordinance will result in unnecessary or undue hardship. As used in this Ordinance, a variance is authorized only for frontage, height, area, and size of structure or size of yards and open spaces. Establishment or expansion of a use otherwise prohibited shall not be allowed by variance, nor shall a variance be granted because of the presence of non-conformities in the particular zone or adjoining zone.”

(On the Official Ballot)

ARTICLE X. Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

6. To amend Section 502.2 by deleting the words “Board of Adjustment” and substituting therefor the words “Board of Zoning Inspectors” so that Section 502.2 reads as follows:

“The facility shall be enclosed by a fence no less than 5 feet high which prevents uncontrolled access by small children, if prescribed by the Board of Zoning Inspectors for safety reasons.”

(On the Official Ballot)

ARTICLE XI. Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

7. To amend Section 502.3 by deleting in each of the three cases where they appear in said section the words "Board of Adjustment" and substituting therefor in each case the words "Board of Zoning Inspectors" so that Section 502.3 reads as follows:

"The operator or owner of the facility shall submit a plan to the Board of Zoning Inspectors showing the size of the facility, proposed use, parking arrangement and use of buildings on the site, surrounding properties and their usage, and any other pertinent information or any other information requested by the Board of Zoning Inspectors. The Board of Zoning Inspectors, based on considerations of the health, safety and welfare of the community, the general scheme of development of the area, and the usage of adjoining land, shall either approve or not approve said plan. No building permit shall be issued for said facility until said plan is approved."

(On the Official Ballot)

ARTICLE XII. Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

8. To amend Section 503 by deleting the words "as a place of abode" so that Section 503 reads as follows:

"Section 503. Mobilehomes and Travel Trailers: Mobilehomes and Travel Trailers, whether the wheels are attached or not, shall not be permitted elsewhere than in a trailer park, except as existing prior to the adoption of this provision or for temporary purposes found by the Board of Zoning Inspectors not to be injurious or offensive to the neigh-

borhood and limited to the period of time specified in the permit therefor.”

(On the Official Ballot)

ARTICLE XIII. Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

9. To amend Section 701 by deleting the second and third sentences thereof and substituting therefor the sentences, “For any construction or alteration there shall be a fee for each permit based on a fair estimate of the total cost thereof. The fee shall be \$3 for the first \$2,000 or any part thereof of said estimated total cost plus an additional fee of \$3 for each \$1,000 or any part thereof of said estimated cost in excess of \$2,000.” So that Section 701 reads as follows:

“Section 701. Permits. No person shall commence any construction or major alteration without a written permit for the same from the Board of Zoning Inspectors or other duly authorized enforcing agency. For any construction or alteration there shall be a fee for each permit based on a fair estimate of the total cost thereof. The fee shall be \$3 for the first \$2,000 or any part thereof of said estimated total cost plus an additional fee of \$3 for each \$1,000 or any part thereof of said estimated cost in excess of \$2,000. Said figures, after deducting all expenses of the Board of Zoning Inspectors or other issuing authority, shall be turned over to the Town Treasurer.

The provisions of this section shall apply to all sections of the Town of North Hampton.”

(On the Official Ballot)

ARTICLE XIV. To see if the Town wishes to exclude from the plan service in any class or classes of positions of election officials or election workers for a calendar quarter in which the remuneration paid for such services is less than \$50.

ARTICLE XV. To see if the Town will adopt and affirm the action of the Selectmen in adopting the Waste Ordinance of the Town of North Hampton.

ARTICLE XVI. To see if the Town will adopt and affirm the action of the Selectmen in adopting the Dog Ordinance of the Town of North Hampton.

ARTICLE XVII. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the Library Capital Reserve Fund Number 8 and to authorize the expenditure of \$2,500 from said fund for a study and preliminary plans for a new library.

(Recommended by Budget Committee)

ARTICLE XVIII. To see if the Town will vote to raise and appropriate the sum of \$20,000 for the cost of an addition to the present library and, in addition thereto, authorize the expenditure of an additional \$10,000 from the Library Capital Reserve Fund Number 8 for the construction of said addition.

(Not recommended by the Budget Committee)

ARTICLE XIX. To see if the Town will raise and appropriate the sum of \$5,000 annually for the Library Capital Reserve Fund Number 8.

(Not Recommended by the Budget Committee)

ARTICLE XX. To see if the Town will vote to raise and appropriate the sum of \$1500 annually for a Capital Reserve Fund for the purpose of an annual updating of the Assessment records of the Town by the State Tax Commission.

(Recommended by Budget Committee)

ARTICLE XXI. Upon the Petition of Mabel R. Costyn and nine others: To see if the Town will vote to install an

adequate culvert of 36" inside diameter and approximately 75' long for the brook under Chapel Road near the junction with Old Locke Road, and to appropriate \$3500 for the same. The installation to be completed no later than next fall and to be accomplished under the supervision of the Town Road Agent.

(Not Recommended by Budget Committee)

ARTICLE XXII. Upon the Petition of Lois Gilman and twelve others: The Town is hereby requested to empower the Board of Selectmen to appoint a Recreation Commission, said commission shall have five members, three male and two female to be appointed for one, two and three year terms.

ARTICLE XXIII. Upon the Petition of Lois Gilman and thirteen others: The Town is hereby requested to raise and appropriate the sum of \$1500 for the purpose of funding a Recreation Program.

(Without Recommendation of Budget Committee)

ARTICLE XXIV. To transact such other business as may legally come before said meeting.

GIVEN under our hands and seals this 9th day of February, in the year of our Lord, Nineteen Hundred and Seventy.

NORTH HAMPTON POLICE DEPARTMENT

During the year 1969, we have had only a moderate increase in Police Department activities. We are pleased with the decrease in the number of breaks from 31 in 1968 to 19 in 1969.

Also pleased to report no fatalities during this period. Accidents, although more in number, were minor in damage and personal injuries.

This past year, a Town Ordinance was put in effect regarding the control of dogs. Although some people have cooperated, there are still a large number of dogs roaming the streets. It is hoped that this situation will correct itself and people will take on the responsibility of their animals in order to prevent a stricter enforcement of this Ordinance and court action against those whose dogs are nuisances.

With the help of the townspeople and cooperation of the Budget Committee, all of our police equipment is up to date and in good condition.

We wish to thank the inhabitants of the town of North Hampton for their continued support of the Police Department.

Respectfully submitted,
Ralph A. O'Connor
Chief of Police

NORTH HAMPTON FIRE DEPARTMENT

Report of 1969

The Fire Department responded to 61 emergency calls, for various causes and of these calls 9 were Mutual Aid to other towns, Rye, Hampton, Greenland, Portsmouth, Newcastle, and Plum Island, Newburyport.

There were no major fires in Town during the year but it should be kept in mind that every fire could be a major loss if not caught in time.

With the cooperation of the principal and teachers, a fire drill and demonstration was put on at the school playground for the children during fire prevention week.

Through the efforts of the Firemen's Association and the Ladies Auxiliary, a new alerting system was installed. Under the new system, each man has a radio alert receiver in his home, a tone is put out from the fire station over the radio, alerting each receiver, the man on duty then tells just where and what the emergency is. Also a 500G.P.M. front end pump was acquired for the new tank truck, greatly increasing the efficiency of this piece of apparatus.

Respectfully submitted,

Wilbur D. Perkins, Fire Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions

Commercial or Industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means willfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland. Maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit.
Keep our town free from smokes in 1970.

REPORT OF LIBRARY TRUSTEES

Trustees and taxpayers alike are indebted to seven public-spirited men who offered to paint the outside of the library. The following worked a total of eighty-seven hours: David Case, Fred Scheyer, R. Scott Higgins, Steven Murad, Lynn F. Johnson, Robert J. Dunkle and Stephen H. Dunkle. This made it possible to show a balance of more than \$350.00 in the treasury which will be used to reduce the 1970 budget.

The Bush and Bud Garden Club improved the planting in front of the library and voted to provide continuing care and improvement to their project. They also decorated the library at Christmas.

Lilacs were planted by the Woman's Club and library staff and trustees in memory of Norman Leavitt, the Girl Scouts contributing the labor.

National Library Week activities, sponsored by the Friends of the Library, included Book Reviews by Marion Rudkin, an evening program "Meeting Houses and Churches of Early New England" by Mr. Edward G. Wood and a story hour for pre-school children by Else Minarik.

The Friends entertained Friends' groups from surrounding towns at a Valentine Coffee where Mrs. Edward G. Wood gave a talk, with exhibits, on the "Osborn Potters."

In June, the third annual Strawberry Festival and Country Auction attracted a larger attendance than ever before. Mr. Herbert Dyer once again was auctioneer.

The Friends renewed their membership drive. The

building fund has reached a total of \$2,580.00 and the Memorial Fund \$153.96.

At the annual meeting of the N. H. Library Trustee's Association, Dorothy Colbeth, Chairman of the North Hampton Friends, won a certificate of merit as New Hampshire's Most Outstanding Friend of the Library for 1969.

The Library has received many fine books as Memorial Gifts during the past year. The Woman's Club added books in honor of charter members to their Memorial Shelves as a Community Achievement Program. Other organizations and friends give on a regular basis. Old books must be carefully evaluated as our shelf space is so limited. Many times used books are welcome replacements for the library's worn copies. The library received \$100.00 for reference books from the State Library as part of the Statewide Library Development Program.

Meetings attended by trustees included the six book-selection meetings at local libraries, a Workshop on Childrens' services in Bedford, the annual Library Week luncheon in Concord, a meeting in Epping to study services provided by our Service Center Libraries and the annual meeting of the N. H. Friends, of which Dorothy Colbeth is secretary.

LIBRARIAN'S REPORT

To the Trustees of the North Hampton Public Library:

The following is a report of the library from January 1, 1969 to December 31, 1969:

Number of New Books Added	628
adult fiction	227
adult non-fiction	213
books for children	188
Books Given to the Library	61
Book Circulation	26,275
Magazine Circulation	1,094

Total Circulation	27,734

Librarians Roberta and Carol attended the spring Public Library Techniques Course (Extension) at U. N. H. in Program Services for Adults and Young Adults, and Roberta also attended the summer course at U. N. H. in Library Administration.

We attended the Book Selection Meetings, held at different libraries, and the Southeast District Council Meetings (as Delegate and Alternate). These meetings, as well as the Workshops attended, are all very worthwhile and informative.

Many of the children look forward to our Summer Vacation Reading Program, which winds up before school begins with a party and movies, and our August story hours for children entering the first grade, were successful too.

During National Library Week in April, Mrs. Else Minarik, noted childrens' author, was guest story-teller

for the Kindergarten and Nursery School children at the library.

Gifts of books and magazines were gratefully received by the library.

Our Friends of the Library continue to work with enthusiasm for our library in many ways, and recently presented us with a beautiful Early American Style clock.

1969 ANNUAL REPORT OF THE NORTH HAMPTON CONSERVATION COMMISSION

In compliance with R. S. Z. 36-A:2 the commission submits the following report to the voters of the town of North Hampton: During the past year this commission became involved in these activities:

1. The third annual Clean-Up Day was held successfully in April in conjunction with the Governor's state-wide clean-up campaign. The Commission wish to express appreciation to all who cooperated on this project.
2. The Commission was represented at the public hearings on the proposed nuclear power plant in Seabrook. Much information was gathered on the effects of such a facility on area marshlands; members voiced reservation at this time on the advisability of the planned location of such a plant.
3. In August the Commission sponsored the showing of two films, "So Little Time" and "Spying on N. H. Wildlife" at the Farragut Playhouse. The exhibition was open to the public and was well received.
4. The Commission continues to be concerned about the filling and dredging of the marshlands. We have carried on much correspondence with the state agencies on this subject, but so far have seen little evidence of efforts to enforce existing regulations.
5. A guest speaker at one meeting—Mrs. Charles

Tallman of Rye, explained proposals for the development of Odiornes Point State Park in Rye and invited our participation. A walking tour was held and suggestions for park use are being solicited.

6. The Commission has been represented at area meetings on pollution control, zoning, and the Governor's Conference on natural resources.

The Selectmen asked the Commission to study the dump situation because by law North Hampton will be required to stop burning by 1974.

Following are the Commissions recommendations regarding the town dump:

1. Immediate

- A. Erecting a fence and gate on roadside at present dump
- B. Opening the dump during specified hours only
- C. Engaging an attendant at the dump during these hours
- D. Issuing auto stickers for town residents using the dump
- E. Enforcement of regulations governing town dump

2. Future Planning

- A. Purchase of suitable land and equipment for sanitary land fill, or
- B. Contracting for this service with private concern.

The commission will continue to study the sanitary land fill procedure. They will report to the selectmen as to a suitable location for a future dump. This

information will be presented to the townspeople for their consideration at a later date.

NORTH HAMPTON AMBULANCE CORPS

North Hampton, N. H.

During the past year, the North Hampton Ambulance Corps received 141 requests for assistance. Several of these calls resulted in trips to Manchester, N. H. and Boston, Massachusetts.

Late in the summer a newer model Pontiac Ambulance was purchased to replace the original and older vehicle.

Another major purchase was a new automatic one-man operated stretcher, which just about completes any necessary equipment for a modern ambulance.

The ambulance "crews" are now permanently assigned, with twenty-four hour, seven day a week coverage for the town. We would, of course, welcome any persons interested in becoming active members either attendants or drivers.

Our thanks are extended to both the Fire and Police Departments for their assistance on several occasions.

We wish also to thank the many townspeople and the summer residents who so generously have donated "extra" money to our treasury, thus making our service possible to all. Their thoughtfulness and kindness is deeply appreciated.

You may be assured that the North Hampton Ambulance Corps will extend to the Town, the swiftest and most professional First Aid assistance possible during the coming year and we hope, for years to come.

Respectfully Submitted,
Dennis Kilroy, President

SEACOAST HOME HEALTH ASSOCIATION

Your visiting Nurse Association has been in operation since July of 1969.

To date we have made 1157 active calls. We started in with one full time nurse and a part time Supervisor nurse. In August our office was staffed four days a week, and by December we found it necessary to hire another part time nurse.

In the fall we assisted at two Clinics. The measles Clinic was held in October and 63 Hampton children from kindergarten through eighth grades received the vaccine. There were 19 children from North Hampton, 21 in Seabrook, and 9 in Hampton Falls. In December we held the German Measles Clinic for kindergarten through first grade. 49 North Hampton children received this vaccine, 213 Hampton children, 38 from Seabrook, and 20 from Hampton Falls. There is a great shortage of the German Measles vaccine so the State designated the age group to receive this. When more is available we plan to continue the immunization program.

The largest number of our patients are in the Medicare age group, though we have made 76 visits to new mothers and their babies. Many of our patients have cardiac problems or are CVA victims. We provide many and varied services such as baths, injections, dressing changes, any nursing ordered by your Doctor, and health instruction for all age groups.

If we can be of help to you or any member of your family do not hesitate to call us (926-2066).

We are here to be of service to the community.

3. A member of the School Board for the ensuing three years.—Joseph W. LeBlanc—127 votes—Frederick D. Scheyer—48 votes.
4. A Treasurer for the ensuing year.—Judith H. Batchelder—163 votes.

You are also notified to meet at the same place at 7:30 o'clock in the evening to act of the following subjects:

5. Auditors—Philip T. Boothby—155 votes—James F. Leavitt—152 votes—George Miller—2 votes—Jeanne Beland—1 vote—and Robert Palmer—1 vote.
No reports from agents or committees were made.

6. Mrs. Jane Palmer made the motion that the District vote to raise and appropriate the sum of \$2,500.00 for the purpose of obtaining options for the purchase of land for the use of a future school site. Seconded—hand vote—passed.

7. Mr. George Miller made the motion that the District vote to establish a contingency fund in the amount of \$1,000.00 to meet the cost of unanticipated expenses during the year in accordance with the revised statutes annotated 198:5-6. Seconded—hand vote—passed.

8. Mrs. Jane Palmer made the motion that the District vote to raise and appropriate the sum of \$1,000.00 to establish a capital reserve fund in accordance with the revised statutes annotated 35:1 to 35:18 as amended for the purpose of major expenditures for the repair and renovation of the school building and facilities, such sum to be placed with the Trustees of Trust Funds of the Town of North Hampton—seconded—hand vote—passed.

9. The Budget was read item by item and persons requesting information regarding the items were to state hold and they would be discussed after the total budget had been read and all items not questioned had been voted upon. Items held: 110-190 Administration; 210—Teachers Salaries; 235—Contracted Services; 290—Other Expenses; 400—Health Services; 610—Salaries; 850—Employees Retirement and F.I.C.A.;

SUPERINTENDENT'S REPORT

I herewith submit my fourth annual report as superintendent of schools in the town of North Hampton. As in years past we still find ourselves in the midst of vast and sweeping changes in public school education. We are living in an era of public concern for quality education. We have always been concerned about education but there is an awareness, a sincere interest, a healthy curiosity to get to know why and how.

A good education is costly. Those of us who are taxpayers know this fact all too well especially the New Hampshire taxpayer. Local property taxes cannot be expected to continue to bear such heavy burdens. We must receive more financial assistance from the State if the job is to be done right. Another source of financial assistance to schools is the Federal Government. This source is entering on stage rather belatedly. In 1968-69 the Federal Government paid only 8.1 percent of the cost of public elementary and secondary education. True, money is not the only answer to all of the challenges we face in education, but without it we can never expect to find out what the answer might be.

Many of you will recall the recent public school shut-downs due to lack of funds. This is a sad state of affairs when thousands of children are deprived of receiving their education.

The schools in this supervisory union have been experiencing an upward gain in enrollment which has necessitated the formation of several advisory committees whose responsibility it is to study school needs. This advisory committee works with school board members and school administrators in projecting enrollments, inspecting present school facilities,

gathering data on land acquisition, and reviewing school programs in this age of change. The work of such committees is tedious, time consuming, but most important. I would like to take this opportunity to publicly thank all of those citizens who unselfishly give of themselves so that school needs for the future might be realistically studied and brought out into the open.

On October first the superintendent's office moved from 86 High Street to its newly built quarters on Landing Road just opposite the front entrance of Winnacunnet Cooperative High School. Needless to say, this move was most necessary and we appreciate the new suite of offices. Our public open house was held and I feel that those who visited us were pleased with the building. To those who did not come to our open house, I extend a most cordial invitation to visit us at your convenience. The office is open from 8:00 A.M. until 5:00 P.M. daily, including those days when schools are not in session.

At the time this report is written we are in the midst of preparing nine budgets, eight school district budgets and one supervisory union budget. This is no simple task and takes many long hours on the part of your school board members and administrators.

In mid-November a public hearing on the preliminary supervisory union budget was held in North Hampton in compliance with a new legislative edict. There were approximately forty people present, twenty-two of whom were school board members. Eight others in attendance were school administrators. The complete supervisory union budget was aired, questions asked and answered.

Another new piece of legislation which has not been used in Supervisory Union No. 21 to date deals with the procedures necessary in getting voter approval of bond issues of \$20,000 or more. Under the new law a public hearing is required, to be held at least fifteen days prior to the March annual school district meeting. Notice of this hearing must be posted at least fifteen days in advance. The amount of the bond issue as well as the warrant article must be fixed at the hearing by the governing body. When the polls open on the scheduled day in March all registered voters will be given the opportunity to vote on the bond issue. Each voter will be given a ballot with the specific article and amount proposed printed thereon. As usual, a two-thirds majority of all those voting is required in order for final passage. The significant difference with this procedure as against the former law is that it does not limit the voting to just those who attend the March school district meeting. If the bond issue is defeated the whole procedure must be followed again.

I have been keenly interested in the non-graded instituted at the North Hampton School this year. With this type of change comes many difficult problems to solve, all of which are not resolved at this writing. However, I think it commendable that your staff has the willingness to give this program the many necessary hours of planning and research.

Like so many other schools in Supervisory Union 21, classroom space for future enrollment growth is a problem that must be studied with intensity as well as with rapidity. The school board members and administrators are already quite aware of the situation and have been devoting much time to the problem.

As in the past, I have prepared several statistics which follow my report.

It has been a rewarding year, a year filled with its anxious moments. I have been pleased that our staff of professionals has been looking into promising programs and practices and has been adapting these to fit local needs. In closing may I point out that the schools belong to you and urge that you visit them often.

Respectfully,
Paul L. O'Neil

REPORT OF SCHOOL NURSE

To the Superintendent of Schools and the School Board of North Hampton:

I respectfully submit the following report of the School Health Program in North Hampton for the school year 1968-69.

School nursing has become a highly specialized service contributing to the process of education. The professional nurse with her experience and knowledge of the changing growth and behavioral patterns of children is in a unique position in the school setting to assist the children in acquiring health knowledge, in developing attitudes conducive to healthful living, and in meeting their needs resulting from disease, accidents, congenital defects, or psychosocial maladjustments.

Nursing provided as part of a school program for children is a direct, constructive, and effective approach to the building of a healthful and dynamic society.

The following routine procedures were carried out during the year:

Tuberculin tests were administered to all school personel and the pupils in grade one. A total of 103 Heaf tests were administered. All pupil results were negative. Members of the staff with a known positive reaction received chest x-rays. Flu vaccine was administered to members of the staff if they wished to receive it. A total of twenty-four injections for flu were given.

All pupils in all grades were weighed, measured, and had vision and hearing tests. Inspections of teeth, hair,

posture, and general cleanliness were done on all pupils. There were fourteen visual defects found and corrected. Three hearing problems were found and also corrected.

Dr. Sidney Baker, school physician, assisted by Dr. Hugo Hochschild performed routine physical examinations on pupils in grades one, four, and seven. All boys participating in extra-curricula sports activities also received physical examinations. A total of 225 pupils were examined. There were forty-eight defects found and thirty-four were correctable. Urine tests for sugar and albumin were done in grades one, four, and seven as part of the physical examination.

The Speech Clinic, under the direction of the Portsmouth Rehabilitation Center was held one-half day a week. One hundred three pupils were evaluated, twenty-two pupils attended weekly speech therapy classes.

On May 21, 1969 a clinic was held to register pupils for the incoming first grade. Seventy-eight pupils registered on that day. All children were weighed, measured, had vision and hearing checked. They also received a dental examination by a dental hygienist from the Bureau of Dental Health, Dept. of Health and Welfare. Children suspected of having speech defects were evaluated by the Speech Therapist.

Emergency care of the sick and the injured involves more time as the enrollment increases. The total number of first aid procedures administered by me was 2,179. The notification of parents when students are ill or injured is also time consuming. The number of home contacts and home visits made by me during the year was 429.

Health education is an important part of the total school program. The school nurse is available as a consultant to the staff in planning all aspects of the health program. I am available to assist the teachers with the use of materials, to assist in the planning and organization of health education classes and to aid in curriculum development, as well as teaching some units.

Medical Self-Help classes were held in Grade 8. There were sixty-three pupils participating in this course. A basic first aid course was held in Grade 6 with fifty-eight pupils participating. Other health classes were held at various grade levels in conjunction with the work of the classroom teachers. Various health topics were covered—among them were nutrition, drug education, dental health, personal hygiene, human growth, safety, and family living.

Health education classes are designed to help each child develop the knowledge, skills, and attitudes he needs to ensure healthful behavior appropriate to his level of development.

Respectively submitted,
Dorothy Staples, R. N.
School Nurse
